## Queensland Philanthropy Awards

**Queensland Gives invites nominations for the Queensland Philanthropy Awards. The Awards recognise those contributing at the highest level of philanthropic endeavour in Queensland.**

The criteria for each award focuses on philanthropy that is outstanding in its generosity—effective and impactful—and that exemplifies qualities such as commitment, inspiration and leadership.

Recipients of the Emerging Philanthropist of the Year, Community Philanthropist of the Year and Philanthropy Innovation of the Year Awards will have the privilege of allocating a $2,000 sponsored donation to their charity of choice.

All Queensland Philanthropy Awards Nominees will be included in our Philanthropy Awards digital campaign. Award recipients will be acknowledged in Queensland Gives' annual report, newsletter, media releases and at a public presentation subject to government restrictions.

The level of charitable dollars given, time dedicated to giving, dollars raised to support a charity, and the impact and potential to inspire others will be considered. Innovative approaches to philanthropy are welcome. The Awards Committee may consider a present or former Queensland resident, a giving circle, a family unit, or a philanthropist who is deceased.
